

8th SRH Solar Summer Team-up! in Berlin and Bavaria 7th – 24th June, 2023

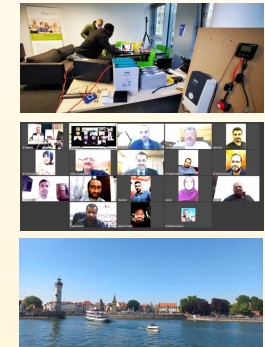

Also online! Partial scholarships available! The already 8th edition of our great summer training format in Germany – your perfect opportunity to look deeply into the implementation of state-of-the-art technology. You experience the planning and installation of solar-PV systems, and introduce yourself to important industry partners and like-minded solar enthusiasts.
